

WELCOME TO OUR STAY AT HOME *Summer guide*

This summer is like no other we've ever seen; whilst the whole world is going through strange and unknown times, we hope to bring you a little joy in a sea of uncertainty. In this stay at home summer guide, we'll show you how to make the most of the spaces you have, rather than focusing on the places you can't get to right now. Self-care is now more important than ever, so at the back of this guide, you'll also find a wellbeing checklist to give you a little helping hand.

So whether it's creating the perfect holiday at home by bringing the beach to you, having all the fun of the fair with a carnival of colour, or setting up a relaxing indoor retreat, this summer - home is where the holiday is!

Stay safe,
